MEMORANDUM FOR (DISTRIBUTION LIST)

SUBJECT: Southeast Asia: Problems and Prospects Conference

1. I am pleased to invite you to participate in a conference on "Southeast Asia: Problems and Prospects" sponsored by the Defense Intelligence College in association with the World Power and Pacific Basin Program of the Center for Strategic and International Studies of Georgetown University. The conference will be held 4-5 December 1984 in the auditorium of the Defense Intelligence Analysis Center, Bolling Air Force Base, Washington, D.C.
2. This open and unclassified conference is intended to bring together university scholars, government area specialists, international businessmen, and independent researchers who have a common interest in Southeast Asia and whose shared insights may influence government and non-government decision-makers. We hope that the airing of differing opinions and perspectives in a congenial setting will result in a better understanding of Southeast Asia and of its importance in the international community.
3. We are very pleased to have the Honorable Marshall Green, former U.S. Ambassador to Indonesia and Assistant Secretary of State for East Asian and Pacific Affairs, as our keynote speaker for the conference banquet which will be held Tuesday evening, 4 December 1984, in the Potomac Room of the Bolling Officers' Club. The full program includes morning and afternoon panel sessions highlighted by a diplomatic forum Wednesday afternoon. A conference brochure with the complete agenda and a registration form are enclosed. There is no registration fee for the conference, but the cost of the banquet is \$14.50 for each person, payable in advance.
4. If you know of other colleagues interested in Southeast Asian affairs who might like to participate, we would appreciate your sharing this invitation with them. If you wish to register by telephone or ask for further information, you may call (202) 373-3348, (202) 373-3341 or (202) 373-3308 in the Defense Intelligence College. Because space for the conference is limited, we ask that you indicate your desire to attend as soon as possible.
5. We look forward to seeing you in December.
